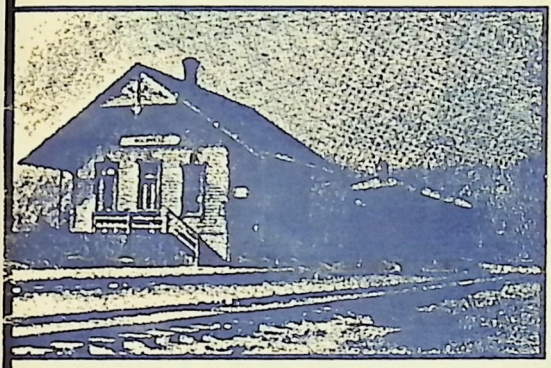
The Rogue River Area
Chamber of Commerce presents

CELEBRATING



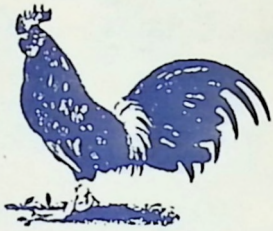
OUR LOCAL

HERITAGE

ROOSTER CROW 1994

June 25 and 26, 1994

The Legend of the "Rooster Crow"



Forty-one years ago a group of business men headed by Shade Coombs initiated the concept of a Rooster Crowing Contest.

With a small group of local people in attendance "Hollerin' Harry" was champion crower with 71 crows and earned $50.00 in silver.

They held another Rooster Crow later in the year with the honors going to "Beetlebaum" with 109 crows. This record held until 1978 when he had to forfeit his crown to "White Lightnin'" with 112 crows. As of now his record still stands.

From a local "fun" event the Rooster Crow has become a nationally recognized celebration and offers food booths, races, sports tournaments, crafts, music, an art show, a parade, a quilt show, book sale, dances and other activities.

This year the theme for the parade is "Celebrating Our Local Heritage." The Queen and her Court represent Rogue River in many events throughout the year.

Lest we forget – the object of this yearly event is the "Rooster Crow." For this one day, the last Saturday in June, the Rooster reigns supreme as "King for the Day."
